REMARKS

The present response is intended to be fully responsive to all points of objection and/or rejection raised by the Examiner and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application is respectfully requested.

Applicants assert that the present invention is new, non-obvious and useful. Prompt consideration and allowance of the claims is respectfully requested.

Status of Claims

Claims **1-51** are pending in the application.

Claims **14-17, 31-34** and **48-51** have been objected to.

Claims **1-13, 18-30** and **35-47** have been rejected.

Claims **14-17, 31-34** and **48-51** have been amended.

Claims **1-13, 18-30** and **35-47** have been canceled without prejudice or disclaimer. In making this cancellation without prejudice, Applicants reserve all rights in these claims to file divisional and/or continuation patent applications.

Allowable Subject Matter

In the Office Action, claims **14-17, 31-34** and **48-51** have been objected to. Therefore they have been rewritten in independent form including all the limitations of the base claim and any intervening claims. Applicants respectfully assert that this amendment does not narrow the scope of claims **15-17, 32-34** and **49-51**. All claims not indicated as objected to have been canceled.

In view of the foregoing amendments and remarks, the pending claims are deemed to be allowable. Their favorable reconsideration and allowance is respectfully requested.

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number
